Mavathur tank, Tunkur Du,
the Kallalli, The Chickmadore,
the Divasabikalli Kanikere and
the Parasurampur new tanks
and the Manikavare reservoir
in Chitaldroog Taluk. The last
work can be stopped altogether
if considered absolutely necessary
but as this will put Govt. to a
loss, a grant of 3 lakhs has been
made (against 8 lakhs applied
for by the Supy. Engr. in Charge
of that work), to allow of a monthly
progress of Rs 20000/- and pay the
amount for the sluice shutters
ordered from England.

Observe, Sir H. Sheshadri Sagar's
recommendation against Manikavare reservoir.
It is undesirable to stop this work.
The grant of 3 lacs is approved.

At the rate of 450 Rs per month the annual demand of rental is Rs 5400/- towards which only a sum of Rs 2000/- including the Security deposit of Rs 900/- has been recovered and credited. Security is said to have been taken for another sum of Rs 400/- which has yet to be recovered and credited.

The Balance of Rs 3000/- is recommended for remission on the ground that consumption of Arrack during the year has considerably fallen and that the Contractor has thereby suffered loss. The decrease in consumption is said to be due to the decrease in population and high Prices of food grains.

Dated $\frac{14^{th}}{15^{th}}$ February 1961.

From

The Deputy Commissioner

Chitaldrug District.

To

The Excise Commissioner

Bangalore.

Sir,

I have the honor to forward
a permission statement in
favour of the Arack vend
farmer of Hiriyur Taluk.

2. The Demand for the
whole year for the farm at
Rs 450/- a month amounts
to Rs 5400/- . The farmer has
deposited two months rent
in the Savings bank, the
has

pass being endorsed in my
favour. He has paid Rs 900/-
in cash besides. Thus he has
virtually paid Rs 1800/- to
Government. The farm
consists only of 3 shops of which
Marikanavé is the most
important one. The allotment
for the Marikanavé work
has been reduced from 8 lacs
to 3 lacs and consequently
a great number of coolies
working there have been
sent home and owing to
rise in prices of food grains,
coolies cannot afford to
spend their wages upon
drinks as they used to do
before

GOVERNMENT OF MYSORE

allotment of Marikanave
and a consequent decrease
in population as well as in
consumption of arrack and
also the rise in the price of
food grains are taken into
consideration, it seems
proper that some permission
has to be made in favour of
the vend farmer in question.

And the decrease in
consumption might also be
due to the majority of
population drinking
toddy which was cheap,
and to the malpractices
entertained by the vend
farmer in his shop.

Such being the case the
undersigned

undersigned is of opinion
 that half the amount of the
 original bid, namely Rs 2700/-
 may be kindly permitted.
 And if the Government are
 willing to permit half of the
 original bid, it will be
 like showing great concessions
 and kindness to the vend
 farmer.

The information furnished
 by the Superintending Engineer,
 Muri Kanare works, after
 requested as well as the
 docket received on 16.8.1957,
 from him is herewith
 submitted for kind perusal.

a remission before the close
of the official year. Requests
that a formal remission
statement in the prescribed
form, recommending the
remission of a reasonable
amount owing to the
allotment for the Marikani
works having been reduced
